Performance

Greatest Absorbency

The capacity of a surgical patty to absorb and retain fluid.

Best Pliability

The degree of flexibility of the patty to freely bend, mold, or otherwise be shaped to conform to tissue.

Longest Moisture Retention

How long a patty retains fluid before it dries, clings, and potentially damages tissue upon removal.

Strongest

The ability of a patty to resist tearing when moist. Measured by tensile strength.

Best Fluid Aspiration

The ability to filter fluids through the patty via suction to protect delicate structures.

NEW

ArmourSorb®

Revolutionary device protecting tissue from high-speed rotating surgical instruments.

2

SURGICAL PATTIES

RAYON

Ray-Cot®

The same trusted properties of traditional Rayon patties, but stronger and more pliable.

4

Uniqcot™

The same trusted properties of traditional Rayon patties, but thinner for better visibility.

6

Delicot®

The only product focused on microsurgical procedures and the leader in pliability.

8

TELFA® + COTTON

Telfa®

The absorbency and slow-drying properties of cotton sandwiched between two layers of Telfa® to reduce tissue adhesion. *Telfa® is a registered trademark of Covidien plc.*

10

COTTON

Americot®

Compared to a leading competitor, Americot® is more absorbent, pliable, stronger, filters a greater volume of fluid via suction, and retains fluid longer in drying conditions. 100% premium US cotton.

12

Ultracot™

Ultra-absorbent. Ultra-pliable. The same ASC cotton standard of absorbency, but thinner and more pliable. 100% premium US cotton.

14

SPECIALTY PRODUCTS

Specialty Sponges

Peanut, Kittner, Cylindrical, and Tonsil sponges.

15

X-ray Detectable Cotton Balls

100% premium cotton for outstanding absorbency and softness. Available with, or without, locator strings.

17

INTRODUCING

ArmourSorb®

ArmourSorb®
The Absorbent Surgical Shield

The Surgeon's New Line of Defense.

ArmourSorb® is our newest advancement in soft tissue protection and was designed to prevent the potential for wrapping and spinning of a standard micro surgical pattie when used in close proximity to a high speed drill burr. ArmourSorb® and is ideal for Surgical Training Programs or surgical procedures such as: Craniotomies, Acoustic Neuromas, Spinal Laminoplasties, Laminectomies, Foraminotomies, or anywhere soft tissue is involved. ArmourSorb® combines the absorbency and moisture retention of traditional sponges on the tissue side with a proprietary deflective layer on the opposing side and is available in a variety of sizes to meet your surgical needs. U.S. Pat. No. 8,939,953.

Packaged in quantities of 15 per box (15 pouches of 1 device each)

“As a surgeon I take every step to **protect my patients** and my staff in the operating room and using the innovative **ArmourSorb®** drill resistant sponges in conjunction with a high speed drill to **lower the risk of complications** during my skull base procedures is simply the next logical step.”

Weiru Shao, MD, PhD
Neurotologist and Inventor of the ArmourSorb® Deflective Device

#	88-04	88-05	88-06	88-07	88-08	88-09

in	¼ x 3	¾ x 3	½ x ½	½ x 1	½ x 1½	½ x 3

DEFLECT TO PROTECT®

“Use of the **ArmourSorb®** device is a simple and safe way of protecting the dura or soft tissues during skull base surgery. They provide good absorption while minimizing the risks of using high speed drills for bone removal, during both craniotomy and opening of the internal auditory canal”

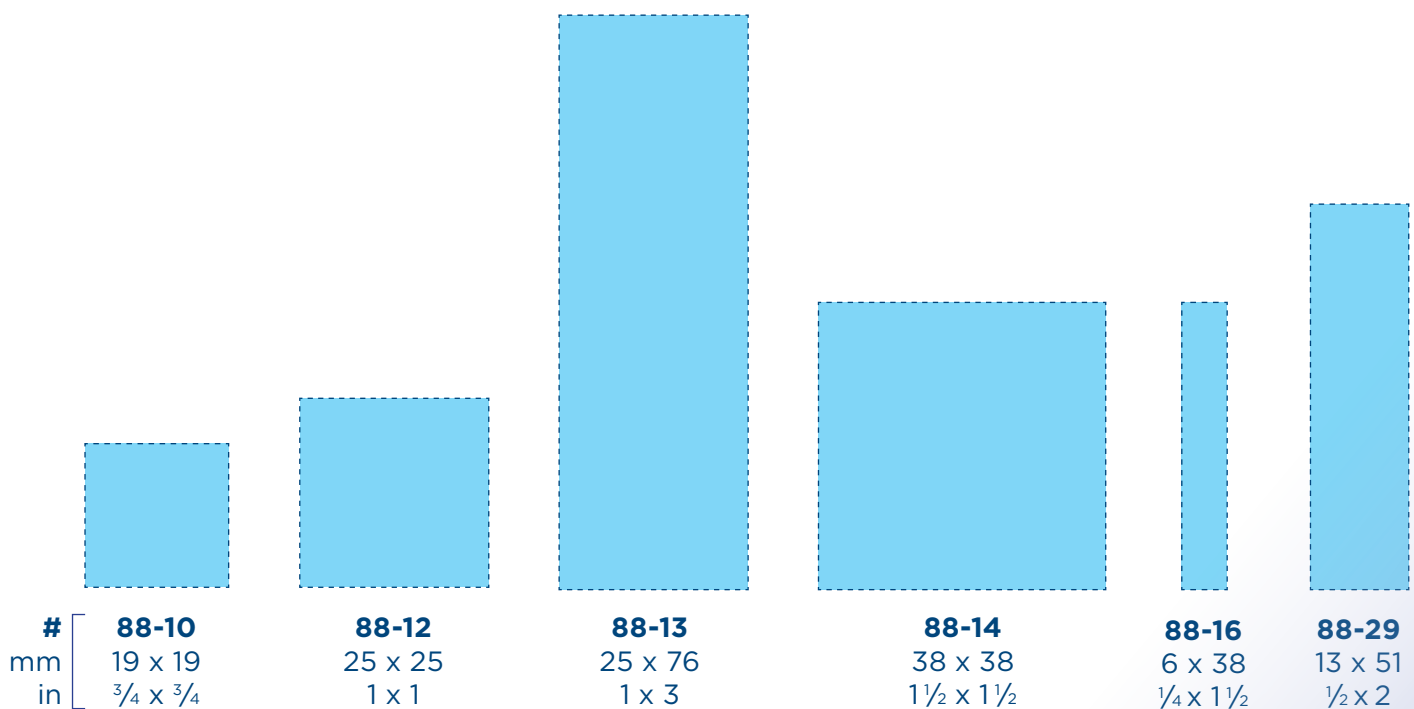

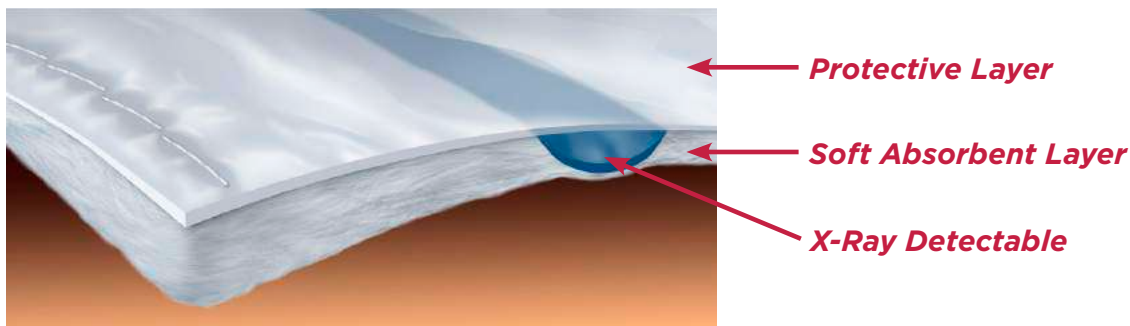

E. Michaelides, MD
Associate Professor Surgery-Otolaryngology

Conventional Patties Lack Durability

The destruction of conventional surgical patties may lead to:

- Procedure Failure
- Gossypiboma
- Challenges in the sponge/pattie accounting process
- Increased duration of procedure

Visit us online:

1. PRICE. The price for ASC's products are specified unless otherwise agreed by ASC and the purchaser as reflected in ASC's invoice. All prices are exclusive of transportation and insurance costs, duties, and all taxes.

2. DELIVERY AND RISK OF LOSS. Unless otherwise agreed in writing, sales are FCA ASC's place of business, meaning that the title and risk of loss transfers when the products are delivered to the common carrier at ASC's place of business, that the cost of shipping is the purchaser's responsibility, with shipping being arranged either by purchaser or by ASC on the purchaser's behalf. Unless otherwise agreed in writing, delivery dates are estimates and delivery time is not of the essence. Unless otherwise agreed in writing, ASC does not accept liability for any loss arising from delay in delivery of products. Orders received prior to 4:00 pm EST will ship same day (subject to availability). All orders are shipped ground service unless specified by the purchaser.

3. PAYMENT TERMS. Unless otherwise agreed in writing, payment terms shall be net thirty (30) days from the date of invoice. Unless otherwise agreed in writing, all payments are to be in United States dollars. For contracts outside the United States, ASC may require payment to be secured by an irrevocable letter of credit or a bank guarantee acceptable to ASC. Where payment is made by letter of credit, all costs of collection shall be for purchaser's account. In the event that ASC is required to bring legal action to collect delinquent accounts, the purchaser agrees to pay ASC's reasonable attorney's fees.

4. LIMITED WARRANTY. ASC warrants that these devices are of merchantable quality and free from material defects as of the date of delivery.

THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND NONE SHALL BE CREATED WHETHER UNDER THE UNIFORM COMMERCIAL CODE, BY CUSTOM OR USAGE IN THE INDUSTRY, OR COURSE OF DEALINGS.

The user of these medical devices must determine their suitability for any medical procedure. Manufactured in the USA subject to USFDA and ISO 13485:2003 control.

5. LIMITATION OF LIABILITY. The liability of ASC for any claim arising out of or in connection with a breach of warranty or any other claim relating to the ASC product shall not exceed the amount paid to ASC by purchaser with respect to the sale of the specific product or products cited in such claim. In no event shall ASC be liable to purchaser for loss of profits, or for incidental, indirect, special, consequential or other similar damages, even if ASC has been advised of the possibility of such damages or losses.

6. APPLICABLE LAW. All matters and issues relating to the purchase and sale of products from ASC shall be governed by and construed in accordance with the laws of The Commonwealth of Massachusetts without reference to conflicts of law principles. Venue and jurisdiction of all actions relating to the performance or interpretation of this Agreement may be brought only in the courts of The Commonwealth of Massachusetts located in Boston, Massachusetts. The parties consent to personal jurisdiction in the courts described in this section for the purpose of all actions, and waive all objection to venue and the right to assent that a court chosen under this section is improper based on the doctrine of *forum non conveniens*.
